SPAIN, NORWAY, AND HOLLAND NOW PLAY LEADING PARTS IN THE SUBMARINE PROBLEM

International Features of Germany's Undersea Warfare Shift from United States; Three Other Countries Have Grievances.

DIPLOMATS TRYING TO ADJUST DIFFERENCES

Under Secretary of Foreign Affairs at Berlin Expresses Satisfaction Over Reply of U. S. to Allies' Note on Sub Treatment.

[By Evening Herald Special Wire] Berlin, Oct. 15.—(The London Times.)—The German government has received the reply of the United States to the note of the Allies regarding the treatment of submarines. The German government has expressed its satisfaction over the reply, which it considers to be a fair and reasonable one. The German government has also expressed its satisfaction over the fact that the United States has agreed to the principle of the unrestricted submarine warfare.

The note of the Allies, which was sent to the German government on October 10, 1916, was a reply to a note of the German government of October 4, 1916. The note of the Allies was a reply to a note of the German government of October 4, 1916. The note of the Allies was a reply to a note of the German government of October 4, 1916.
